3. In 2015, the JPPSS was ranked 32<sup>nd</sup>, in DPS, but moved down to 54<sup>th</sup> in 2016, and now for 2017, JPPSS must achieve a ranking of 32<sup>nd</sup>.
4. In 2014 and 2015, the JPPSS had at least 36 schools that had achieved an "A" or "B" letter grade (2014—"A" -15 schools and "B" -24 schools and 2015—"A" -12 schools and "B" -24 schools) and for 2017, at least 36 schools must achieve at least an "A" or "B" letter grade on its SPS.
5. Because the JPPSS received a "C" letter grade for DPS, consistent with LA RS 17:54, specific performance targets must be established at the school and district level as follows: (1) student achievement; (2) student achievement for schools that have received any variation of a school performance letter grade designation of "C", "D", or "F"; (3) graduation rates; (4) graduation rates for schools that have received any variation of a school performance letter grade designation of "C", "D", or "F"; and (5) the percentage of teachers with an "effective" or "highly effective" performance rating.
