*To create an environment in which all teachers, staff members, and community stakeholders work collaboratively to ensure all students achieve success to become positive contributors in our society.*

## Administrative Message

We are so excited that the weather has improved allowing all of us to go out for a breath of fresh air and exercise! We are working hard to get students through state testing, even though they may have a bit of spring fever. As a reminder, students have begun taking the Louisiana State Assessment (LEAP 2025) **April 26th - May 14th**. Please mark your calendars and ensure that all students are in school, on time. Students in 3rd and 4th grade will be taking LEAP 2025 May 3rd–May 7th and 6th–8th grade students will be taking LEAP 2025 May 10th–May 14th. Make-up testing is allowed in only extreme circumstances. It is very important that EVERY child in grades 3-8 be in school EVERY day!

### **Prepare for a SAFE & HEALTHY SUMMER**

One simple formula can help your child stay healthy over the summer and be ready to learn when school starts:

#### **“5-2-1-Almost None”**

- Eat **5** or more servings of fruits and vegetables a day
- Limit screen time to **2** hours (or less) a day
- Get **1** or more hours of physical activity every day
- Drink **almost no** sugary beverages

These activities will help prepare your child for a safe and healthy summer!
